

It has come to my attention that the FCC is proposing to expand the service of LPFM stations and give them priority over current FM translator service. Currently hundreds of thousands of people listen to K-LOVE on these FM translators. Including myself, my family, friends, church members, and a large portion of our community. As they say everyday, they provide positive and encouraging music, that can be enjoyed by a wide range of people. I love hearing my 4 children, ranging in age from 3 to 13, singing along with my wife and myself to music that has a message. Our radios are permanently tuned to K-LOVE at home and in the car. When we travel we always take our K-LOVE magazine, so that we can find the K-LOVE affiliates where ever we may be. It would be a disgrace to lose such a family friendly station that supports the wholesome values that are becoming more scarce by the day. I pray that no one should lose this valuable asset to the community and that more people would be reached by K-LOVE's message.

Thank you for your time. GOD BLESS
